WHO IS MLEA?

MLEA is a national allied health provider specialising in Occupational Therapy services for both NDIS and medicolegal clients. Our deep clinical knowledge and professionalism underpin our belief system, values and work ethic. This allows us to offer you a work culture rich in mentored professional opportunities as well as work-life balance. MLEA's inclusive workplace environment offers you the opportunity to refine your clinical expertise, as well as receive structured career progression and personal growth.

WHY JOIN MLEA?

This role sits within our NDIS Team but has the opportunity for you to grow within our medicolegal side of the business should you wish to upskill in this unique area in the future.

LEARN   No matter your current level of experience, the team at MLEA are committed to helping you to continue to develop your qualifications and experience through our mentoring and established Peer Support Program

TEAM   Our people are what make us an exceptional place to work. Not only rich with highly qualified and knowledgeable clinicians who have spent years honing clinical skills and are ready to share their knowledge with you. But also friendly, sociable and know how to have fun outside of work!

ADDITIONAL BENEFITS OF EMPLOYMENT WITH MLEA:

- One-on-one peer coaching with a structured mentoring program
- Admin support so you can focus on your client rather than lots of paperwork
- Sabbatical Leave – extended unpaid leave to travel, take a career break or pursue projects without losing your job permanence
- Paid annual and sick leave (including paid parental leave)
- Personal laptop, phone and training in industry-specific software programs
- In-house career planning to help with your long-term goals
- Research and project assignments to equip you with evidence-based confidence
- Flexibility. Whilst this role is ideally full-time, applicants who would like part-time work will be considered
