Who is MLEA?

At MLEA, we're a community of professionals who believe in the power of collaboration and growth. We specialise in delivering exceptional medicolegal services and supporting NDIS clients in our community division. Our mission at MLEA is to make a meaningful difference in the lives of our clients through enhancing independence and quality of life.

An Opportunity with a Difference

This is a unique opportunity provides an alternative to more traditional OT practice roles. OTs start in our community division have future options to become a clinical specialist, clinical educator, medico-legal OT, or manager as your career progresses. We can guarantee it will be a stimulating and fulfilling role. The role will allow you to develop your clinical experience, specialist knowledge, and passion for helping make a real difference in people's lives.

WHAT DOES A DAY IN THE LIFE OF A COMMUNITY OT TEAM MEMBER LOOK LIKE?

Everyday is different. You could spend your day out on the road visiting clients in their homes performing functional assessments, interventions, equipment trials, or meeting with builders to discuss home modifications. Another day you might be in the office (or from home, depending on your preference) performing research, writing reports or preparing NDIS applications.

Benefits:

- Flexibility to choose clients and areas of practice that align with your professional interests
- Strong admin support so you can focus on your client rather than lots of paperwork
- Paid annual and sick leave (including paid parental leave)
- Professional Development - 2 Days (minimum) paid PD leave per year
- Personal laptop, phone and training in industry-specific software programs
- In-house career planning to help with your long-term goals
- Resources and clinical toolkit provided as well as access to an extensive range of standardised tests, functional testing equipment and other resources
- Strong team culture – Regular social events, team building & well-being activities
